Old Business:

1. Walking trail – The road crew continued been working on the walking trail but ran into rain delays. After consultation with FPE, the walking trail has been moved 20 feet from the back property line of the park. Due to the rain and the wet ground, FPE has applied for an extension on our behalf with DCNR. An extension has been approved, but no new completion date has been supplied by DCNR as yet. Chairman Woody Myers and Lynn Schoppaul will work with Cindy White from FPE on this.

2. Shed for the soccer league – The building permit has been received.

3. Mowing the upper field – The field will be mowed when it dries up or freezes this winter.

New Business:

1. The mowers need to be serviced for the winter. A motion to purchase the supplies to winterize the tractors by Mark Schoppaul, 2nd by Robert Garlin passed.

2. Mark Schoppaul is working on a list of general maintenance items for the spring. Some items on the list so far are painting, straightening the grills, removing the silt barrier from around the upper field, and locating and redoing all the boundary markers on the corners of the park property. He is looking for additional items from the board members.

Bills List: A motion by Mark Schoppaul, 2nd by Joseph Reever, to pay the bills, passed.

Public Participation: None

Next regular meeting: January 6th, 2010 at the Township Building.
