APPLICATION FOR ZONING PERMIT LATIMORE TOWNSHIP ADAMS COUNTY, PENNSYLVANIA

Zoning is a method a community may use to regulate the use of land and structures. It is initiated by the adoption of a zoning ordinance designed to protect public health, safety, welfare, and to guide growth. Zoning frequently attempts to control development in areas subject to flooding, to preserve natural features (i.e. wetlands, forests, aquifers) and historic features, and to save farmland. The permit process is necessary to comply with the zoning ordinance adopted by the Township.
